

Million See German Car Win Grand Prix:

WINNER MAINTAINS LEAD FROM START

(Special to The Times-Dispatch.)
DIEPPE, July 7.—The Grand Prix de la Mer, the blue ribbon of the automobile world, was won to-day by a German, Lautenschlager, driving a Mercedes car. His time was 6 hours 53 minutes 45 1/2 seconds. Hemery, in a Benz, was second; Harriot, also in a Benz, was third. The German victory was not popular, but still the crowd cheered Lautenschlager with a right good will.

The deaths of Assac and his engineer, Schaub, from their machine turning turtle, and the injury to Harriot, an Englishman, in a similar accident, were the things to mar the day.

Almost a million to-day saw the race. The race was the most exciting since the Grand Prix was inaugurated. A terrific pace was set at the start, and three Frenchmen, Salze, Thery and Dabot, and Wagner, an Italian, and Salze, a German, beat the lap record made last year in the first round. In the second round, Nazario, driving a Fiat, forged to the lead, but the strain soon began to tell on the leaders. The trouble then developed and a strong wind, at times reaching the proportions of half a gale, that blew straight in the faces of the drivers as they came down the sea leg of the triangular course, forced a reduction of speed and put an end to the hope entertained earlier in the day that the record of last year would be broken.

Lautenschlager in his Mercedes drove steadily and took the lead in the fourth round, when Nazario dropped back, owing to a jammed clutch, and he maintained this position to the finish. The English drivers never were prominent from the beginning, and Strang, the American, driving a Thomas car, after pushing the fourth round next to the leader, disappeared. After the fourth round the Italians also dropped out, and never were in the race.

The French, however, kept up the struggle, but one by one their crack drivers, like Salze, in a Renault and Luray in a Lorraine, succumbed, and left only Thery in a Benz to see the fight out. Thery is the old veteran who won the Gordon Bennett cup in 1902.

He was closely pressed by Hemery and Harriot, two other French veterans, driving Benz's German cars. In the fourth and fifth rounds these five cars swept around the course with the regularity of clockwork. In the next round, however, Thery had a tire accident, and the last hope of the French witnesses was here.

Heroic Race of Hemery.
The Frenchmen found much consolation in the gallant conduct of Hemery, who finished second. When the race was about half over a stone thrown by a flying wheel struck and broke his goggles and a piece of glass was driven into his eye. He continued to the finish, and there his accident was made known. But he refused to quit. After a surgeon had given him the injection of cocaine to kill the pain, he resumed his wheel and continued to the end.

As Lautenschlager was escorted to the presidential box, where he was congratulated by M. Mauban, Under-Secretary of the Interior, who represented President Fallieres, the band played the "Wacht Am Rhein." Baron Von Zuylen, president of the Automobile Club of France, sent a telegram to Emperor William announcing the success of the German drivers.

Diamond Dust

Well, they got back at the locals yesterday.

By losing yesterday the Bugs took first place from us.

Guess Jimmie Ison didn't bat some; three hits out of four times up.

Manager Lipe has changed his batting order back to the same old order.

Keville was left behind on this trip to rest up for the Lynchburg series.

The Highlanders pounded Howard good and hard for eleven hits.

Lipe, Sieber, Ison and Cowan were the only batters that could connect with Vernuelle's subway.

To-day's game will be the rub off, each team having won one.

Clayton, who lost the game for Roanoke Monday, played a star game yesterday.

Manager Lipe sent McKenzie back home yesterday morning.

Cowan played a good game behind the bat, accepting nine chances without an error.

Lipe made the only error for the locals, something he seldom does.

The locals couldn't do anything in that lucky seventh.

Howard kept his hits scattered pretty well; only four runs out of eleven hits.

Bob Riggs, the ex-lawmaker, who is now with the Red Sox, played a sensational game yesterday.

That boy West is pitching some fine ball now. He shut out the Crew yesterday and only allowed five hits.

Wallace swatted out one of his famous three-base hits yesterday off Fitzpatrick, a new twirler for the Crew.

Rube Howard was a little wild, as usual.

The Dixie Aerie of Eagles will cross bats with the St. Leo Club this afternoon at 4:30 at Broad Street Park. Jack Heintz, the manager of the Eagles, says that he has the best crowd of ball players around Richmond, and expects to trim the St. Leo team.

Jake Wells will umpire the game this afternoon between the Bagles and St. Leo.

The layers of the New York American League Club presented a fine diamond ring to their late manager, Clark Griffith. He has under consideration proposals to manage the Jersey City and Rochester Eastern League teams.

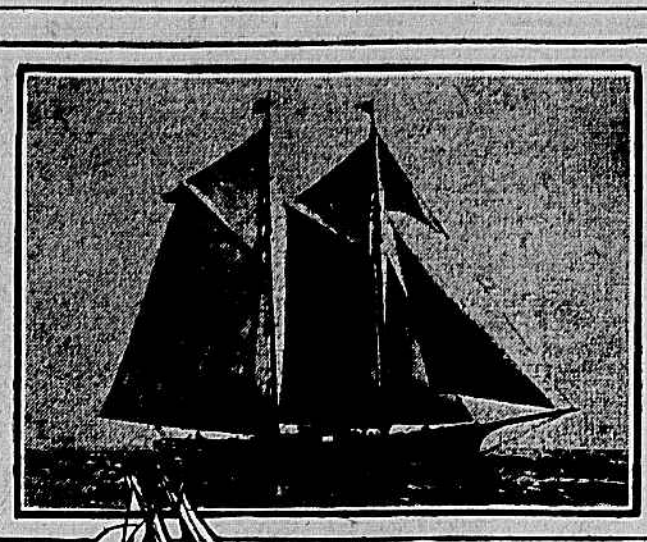

It is said that Lave Cross is under agreement with the Athletic Club to keep a sharp lookout for promising young players, especially pitchers, in the Atlantic League.

For the first time in modern history not critics of New York and Pittsburgh have conceded the Reds at least a chance for first division honors.

Joe McGinnis will be a consistent winner for McGraw since the latter was talking about trading him to St. Louis.

There are more home runs made on the Danville grounds than on any other two in the league. This is due to a short right field fence.

RACING ACROSS THE PACIFIC

BRIGHTON BEACH SEES GOOD RACES

(Special to The Times-Dispatch.)
NEW YORK, July 7.—The summer meeting at Brighton Beach Race-Track began to-day under entirely new conditions. With the stakes abolished and the overnight purses cut in two, it was but natural that the racing did not come up to the usual high standard, but there was interesting sport just the same, and a crowd of 7,000 persons turned out to enjoy it.

As only one entry, that of Big Chief, had been received for the Billow Handicap, an overnight event, it was declared off. Under the rules of racing, as three horses were not named to go, the race should not have been placed upon the program. Big Chief was on hand, however, and worked a mile in 1:50 1/5, just to show that he was ready.

Woodford Clay served up two favorites that missed fire. One of them was Nimbus, 2 to 1, who was beaten a head on the post by George J. Long's Altuda, a 15 to 1 shot, who got a well judged ride from Little Gilbert.

This occurred in the handicap, at six furlongs, which was run in 1:13 2/5. Pantouffe, 3 to 2, running in third place, a length and a half behind the favorite, Natasula, 7 to 2, which had a lot of early speed, but quit.

W. R. Griffin's Earl G. 3 to 1, led all the way in the second race at a mile and a sixteenth, and beat A. J. Joyner's Calingorm, 3 to 1, by three parts of a length.

There was a great finish in the third event for two-year-olds, five and a half furlongs. J. E. Madden's Edward, 3 to 5, beating J. L. McGinnis's Water-viet, 7 to 2, by a head with August Belmont's Merry Gift, 4 to 1, a head back. All were under a drive, and a blanket would have covered the jockeys.

The steeplechase, at about two miles, was won by a three-year-old, selling, \$400 added, about two miles, short course. Rocket (3 to 1) first, Waterspeed (even) place, Banner (2 to 5, show) third. Time, 3:38 3/5.

Sixth race—two-year-olds, selling, \$400 added, five and one-half furlongs—Rubia Granda (3 to 1) first, Clet (4 to 5) place, Indomitable (out, show) third. Time, 1:08 1/5.

Seventh race—three-year-olds and up, selling, six furlongs—Tom McGrath (5 to 1) first, Comedienne (even) place, Saracinesca (1 to 2, show) third. Time, 1:13.

LATONIA CLOSING WITH POOR CARD

CINCINNATI, OHIO, July 7.—Only an ordinary card was offered for the last day of the Latonia meeting to-day. The third race was the feature.

Summary: First race—five furlongs—T. M. Green (\$50.35, straight) first, Lomanda (\$24.30, place) second, Stowaway (\$15.36, show) third. Time, 1:01 1/5.

Second race—five and one-half furlongs—Olamabala (\$9.80, straight) first, Plumo (\$9.60, place) second, Fair Messenger (\$27.45, show) third. Time, 1:08.

Third race—six furlongs—Mirth (\$9.35, straight) first, Pirate Diana (\$16.25, place) second, Caltha (\$10.90, show) third. Time, 1:14 3/5.

Fourth race—six furlongs—Apache (\$18.50, straight) first, A. Muller (\$9.45, place) second, Geneva (\$14.50, show) third. Time, 1:13 1/5.

Fifth race—one mile—Lady Baldu (\$18.95, straight) first, Goldie (\$20.90, place) second, Goddess (\$32.55, show) third. Time, 1:41 1/5.

Sixth race—one mile—Lady Esther (\$31.40, straight) first, Deacon (\$27.36, place) second, Sky O (\$11.30, show) third. Time, 1:39 3/5.

ROANOKE, VA., July 7.—The Highlanders walked over the Lawmakers this afternoon in a fast, snappy game, which, while rather one-sided, abounded in pretty plays.

Roanoke started the run-getting in the first, when a combination of hits sent King safely over the plate. In the second Richmond tied the score, when Sieber was hit by a ball, sacrificed by Sandherr, scoring on Ison's hit. After this inning Vernuelle, who was in the box for Roanoke, settled down, and the visitors were unable to get another man safely across. Roanoke in the fourth and fifth landed on Howard for four hits and three runs, which safely tucked the game away. Clayton, who had an off day

yesterday, played a star game to-day, his timely hits scoring three of the four runs made by the locals. The feature of the contest was the holding and hitting of King, while Ison and Cowan featured for Richmond. The score:

(Special to The Times-Dispatch.)
NORFOLK, VA., July 7.—Unable to find West when hits were needed while Fitzpatrick, a tryout, who was in the box, proved an easy mark, Lynchburg defeated Norfolk to-day, making it a shut-out by the score of 3 to 0. The Tars had an off-day and felded poorly.

WHITEHEAD BEATS TENNIS CRACKS

(Special to The Times-Dispatch.)
ATLANTA, GA., July 7.—Numerous matches were disposed of in the second day's play of the Southern Lawn Tennis Association here to-day, but a majority of these were unimportant, having been won by players who have no chance to reach the finals.

Among to-day's winners in the men's singles were Whitehead and Winston, of Norfolk, Va. Whitehead went through the third round when to-day's play ended, defeating Taylor, of Macon, 6-3, 6-4.

Whitehead previously had defeated Bryn Grant, of Atlanta, in the first round. Grant holds with Thornton the doubles titles. Cowan Rodgers, of Knoxville, is also a survivor of the third round. Post, of New Orleans, is still in the singles and he and Logan, of the same city, won their match in the preliminary doubles.

Miss Murphy and Miss Nordonskye were the winners in the first round of the ladies' singles.

DANVILLE JUMPS TO TOP OF LIST

(Special to The Times-Dispatch.)
DANVILLE, VA., July 7.—Danville blanked Portsmouth again to-day, as a result of which she takes the lead again in the league. The game was a pitchers' battle, and while the hits were evenly divided, Hallman, for the visitors, was more liberal in his donations of passes. Loos, for the locals, pitched a steady, consistent game, and was effective at critical stages. He was given gilt-edge support. The work of Centre Fielder Riggs, formerly of Richmond, who joined the Red Sox to-day, was of a sensational order. Each team pulled off a double play. The score:

TRANS-PACIFIC RACE

In the transpacific race, San Pedro to Honolulu, which was started on Saturday, there are four boats, one of which, the schooner Hawaii, was built at Honolulu by popular subscription. She had to cross the Pacific to start in the race, and so much energy has been shown by those in charge of the vessel that there are many who wish that she may prove the winner.

Opposed to her is the schooner Lurline, the property of Mr. H. H. Sinclair, a veteran Pacific yachtsman, the winner of the first transpacific race, 1904, and the yacht Glendolyn II, of Seattle, and Lady Maud, of San Diego. The finish of the race is to be at the famous Diamond Head, known to every traveler across the Pacific.

There was much difficulty in obtaining boats for this race, and only at the last hour, it was, were the entries of the Lurline, the Glendolyn II and the Lady Maud obtained. There is an agreement between the Hawaii Yacht Club and the South Coast Yacht Club, of San Pedro, that there shall be a race every two years, and it is to be hoped that the agreement will be carried out.

The racing yachtsmen after their long trip receive a hearty welcome at Honolulu, and many entertainments are even now planned for them "in the way it is said, that only the delusions of the natives of the Pacific can plan and carry out."
